CLUB ACTIVITY - 05-08-2023

School clubs are a great way for students to explore their interests and connect with peers who share similar passions. Art club often involve activities like drawing, painting, and crafts, allowing students to express their creativity. English club typically focus on enhancing language skills, reading, and discussions, fostering a deeper understanding of literature and communication. The Heritage Club focuses on preserving and promoting cultural heritage. The Eco Club is dedicated to promoting environmental awareness and sustainable practices. The Math Club provides a platform for students to explore mathematical concepts beyond the classroom. The Science Club allows students to delve into various scientific fields through hands-on experiments, discussions, and projects. The Astronomical Club, students have the opportunity to learn about astronomy and space exploration. These clubs offer students the chance to pursue their interests, develop new skills, and connect with like-minded peers. They contribute to a well-rounded education by fostering creativity, critical thinking, teamwork, and a deeper understanding of various subjects.

Independence Day was celebrated with great enthusiasm and patriotic fervour on 14th August, 2023 in the school ground with the staff and students to mark the 77th year of freedom from the British rule. The celebration commenced with a prayer song followed by a welcome dance by our talented performers. Kayaal from grade 11 welcomed all the members present for the function. Students of all the four Houses staged mesmerising performances revolving around the theme-unity in Diversity. The students expressed their sentiments and aspirations for the country through their performances. Our tiny KG tots gave scintillating performances. Our chief guest motivated the children by his inspirational speech. Our principal announced the winners of the house wise competition. Prizes were distributed for the august month competition by our chief guest. The programme came to an end with National Anthem.

SHAPES DAY

We use shapes everywhere in our surrounding. Our KG toddlers celebrated shapes day on 25th Aug 2023. This was to develop and deepen the knowledge of different shapes among the children. The display board was filled with various geometric shapes like Circle, Square, Rectangle, Oval, Triangle, Semi circle and Star. Students recited rhymes based on shapes, Students brought objects related to specific shapes. So they could relate real objects with shapes. It was pleasant experience to hear from the little ones. Children enjoyed the activity and had lot of fun.
